As We Turn Towards 2020

Can you believe it? It’s nearly the end of a decade as 2020 quickly approaches! The good news: We continue to evolve in response to what you need.

First a little context. Ten years ago, before Netflix started offering an online-only subscription, binging a television series over a weekend wasn’t quite the popular pastime it is today. Hit shows like “Grey’s Anatomy” and “Lost” were still considered “must-see TV.” The Help by Kathryn Stockett spent over 100 weeks on The New York Times best seller list, and most people weren’t reading it as an e-book on their smartphone, as most folks didn’t yet own one. Things that are commonplace today, such as asking your Apple Watch or Amazon Echo the score of last night’s game, still sounded, in 2010, like something straight out of science fiction.

Not only has our world changed over the past decade, but Warren-Newport Public Library has as well. Ten years ago, WNPL began a construction project that brought you The Vault (teen area), an expanded preschool room (Coco’s Cove), and renovated study and meeting rooms. Improvements and additions were made to collections, such as more digital media that patrons love to download and stream, as well as unique items like telescopes to check out. We redesigned the website and mobile app, and offer self-checkout units that streamline your library experience. You’ve joined us in celebrating the library’s 40th and 45th anniversaries. (Thank you!)

We’ve just completed The Flex (see page 11), a flexible-use space for library-related programs, classes and events. This year’s Annual Fund appeal (see page 11) aims to modernizing adult spaces for 2020 library users and beyond (including replacement of furniture that is more than two decades old), better connectivity and a welcoming layout. We have just embarked on a new strategic planning process to ensure that we are prepared to provide the best service possible to the community. To that end, we need your help. The strategic planning process will inform the decisions of the Board of Trustees over the next several years. We’ll be asking for your input to guide our next important moves in providing collections, spaces and services that fit your needs. Can we count on your help? (For details, please visit www.wnpl.info/stratplan2020.) Let’s look towards the future together as we envision celebrating our 50th anniversary in 2023!

P.S. Even as we look forward, please enjoy several programs that look back at the Roaring 20s of the last century! (See pages 4, 7 and 9.)

Summer Reading Champs

Congratulations to St. Patrick School in Wadsworth! They had the largest percentage of students in our summer reading program for the second year in a row! A traveling trophy will reside at their school.

See Lunch & Learn on page 7 for details.

Movie: Selma

MON., FEB. 24, 6PM

Although the Civil Rights Act of 1964 legally desegregated the South, discrimination was still rampant, making it difficult for Blacks to register to vote. In 1965, Selma became the battleground in the fight for suffrage. Despite violent opposition, Dr. Martin Luther King Jr. (David Oyelowo) and his followers pressed forward on an epic march from Selma to Montgomery, and their efforts culminated in President Lyndon Johnson signing the Voting Rights Act of 1965. PG-13. REGISTER

MISSION
The Warren-Newport Public Library District provides the community with access to information, kindles the imagination of children and adults, and supports lifelong learning.

INSIDE ANGLE
Published four times during the year. Due to bulk mailing procedures, a few residents outside the library district receive the newsletter.
