Good afternoon,

Our deadline to let the Village know whether or not we want to do the parking lot project next fiscal year is Wednesday, April 22. Thus, the Board will need to vote whether or not to include this project in next year's budget at Tuesday's meeting. The capital plan I sent out earlier gives you an indication of our financial outlook.

In terms of my recommended action to the Board, I am still weighing the pros and cons of completing the project next fiscal year versus postponing the project, so I have not yet reached a conclusion. However, I will have a recommendation for the Board by next Tuesday's meeting.

Thanks,
Ryan

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."

– Isaac Asimov
