Good afternoon,

On Wednesday, I sent out the latest version of the attached resolution. No changes have been made, but please review again and let both Jo and I know if you have any feedback prior to Tuesday's meeting.

Thanks,

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."

– Isaac Asimov
