Good morning,

Attached is the Executive Director's report for March 2020 and the latest 12 month forecast. The agenda contains a mistake, as it should have included the April 2020 report and not the February 2020 report. I changed the monthly reporting requirements for the management team due to the pandemic and it resulted in some confusion about what to add to the Executive Director's report, but the April 2020 report should be available for Tuesday's meeting.

Thanks,
Ryan

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."
– Isaac Asimov
