Agenda for Regular Meeting May 19, 2020 Final.pdf;

Good evening,

Attached is the agenda for the May 2020 Regular Board Meeting. The agenda is posted on the front door of the library with instructions for the public on how they can dial in if they want to participate.

Note in the Zoom meeting instructions below that if you are participating on your computer you will be prompted to type in a password (60031). Also, after you join you will be placed in a meeting room and I will let you into the meeting one by one. This is to help avoid any issues from people that have started to make a hobby of [“Zoombombing” a meeting.](#)

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."

– Isaac Asimov
