Good afternoon,

This agenda item is a placeholder in case a need arises between now and Tuesday night to add something to our current budget to help us respond to the COVID-19 pandemic.

Thanks,

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."
– Isaac Asimov
