

“Celebration Square” Brick Paver Campaign FAQ

What is the project?

Celebration Square raises money for the beautification of the area immediately in front of the library entrance by replacing one section of plants with engraved brick pavers.

How much does it cost?

Rates are \$75 for a 4" by 8" brick with three lines; \$150 for an 8" by 8" brick with six lines; \$300 for 8" x 8" corporate bricks with logo and up to two lines. Each line has a maximum of 14 characters. Spaces count as a character.

How do we order?

In person at the Welcome Desk, by mail or online at <http://wnpl.donationbricks.com/>.

When will it be installed?

Brick pavers are installed seasonally as weather permits.

Can I add a symbol? How about grammatical symbols and punctuation?

No symbols are offered. Standard punctuation and upper/lower case are accepted.

What if I don't have a PayPal account online?

In addition to in-person and mailed orders by cash, check or credit card, online orders can be made with a credit card payment.

Can I request a specific location for my brick purchases within Celebration Square?

While we can no longer accommodate requests to place new bricks near existing family or organizational bricks or move existing bricks for the same type of proximity request, bricks may be relocated at the library's discretion for maintenance or facility needs.
