Attachments	 WDC plan...  1059 WNP...

Good morning,

Attached is a document overviewing both the timeline for getting the WNPLD Development Council up and running along with what I hope this group can accomplish in 2017. While it is a rather ambitious timeline, I am motivated to do my best to stay loyal to this timeline. I am meeting with both Jo Beckwith and Diana Vickery on Friday, January 20, and the formal recruitment of committee members will start shortly thereafter. Please put some thought into people you know in the community that would be an asset to the WDC and let me or Jo know who they are.

For future members of the Board that might not know about the WDC, also attached is Policy 1059 that details the purpose of the Council.

Thanks,
Ryan

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."
– Isaac Asimov
