Good morning,

As you will recall from the CoW meeting a few week ago, thanks to Nancy's astuteness, I was prompted to inquire with Roger Ritzman, WNPL's attorney, whether it would make sense for the Board to pass the Illinois Ethics Act as an ordinance and eliminate the Policy 1015 altogether. Roger's response was that this was actually the recommended procedure, and he advised that the Board should pass Ordinance 2016/2017-9 and eliminate Policy 1015.

Thanks,
Ryan

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."
