Good morning,

Please see Jo's memo below regarding Board Self-Evaluation:

Colleagues,

This month's agenda includes a Board Self-Evaluation update. We will discuss our self-evaluation survey results and develop our goals for this year. Please use the attached documents to refresh your memories on our 2017 goals. How did we do on completing those? If there are any loose ends, how will we pursue the completion of that work?

Next, we will focus on possible goals for 2018 and come to consensus on what we will accomplish and how we will go about it. I will summarize that for the March CW meeting.

Thank you,
Jo
