Good morning,

Policy 510 Emergency Closings has been moved under new business. I want to give the Board the flexibility to add some new language to this policy related to emergency closings due to a pandemic. I would like to recommend that the Board consider adding language saying WNPL will pay all staff in the event of an extended closure due to a pandemic. If the Board isn't prepared to insert this language into the policy at this time, the resolution I will be sending out shortly also addressed this issue in the context of COVID-19 right now.

Thanks,  
Ryan
