602 Family Leave

Effective Date: 07/12/2006

Revision Date:

The Warren-Newport Public Library District provides family leaves of absence without pay to eligible employees who wish to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child; or to care for a child, spouse, or parent with a serious health condition. A serious health condition means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility; or continuing treatment by a health care provider.

Employees in the following employment classifications are eligible to request family leave as described in this policy:

- All employees

Eligible employees should make requests for family leave to their supervisors at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events.

Employees requesting family leave related to the serious health condition of a child, spouse, or parent may be required to submit a health care provider's statement verifying the need for a family leave to provide care, its beginning and expected ending dates, and the estimated time required.

Eligible employees may request up to a maximum of 12 weeks of family leave within any 12 month period. Any combination of family leave and medical leave may not exceed this maximum limit. If this initial period of absence proves insufficient, consideration will be given to a written request for a single extension of no more than 30 calendar days. Employees will be required to first use any accrued paid leave time before taking unpaid family leave. Married employee couples may be restricted to a combined total of 12 weeks leave within any 12 month period for childbirth, adoption, or placement of a foster child; or to care for a parent with a serious health condition.

Subject to the terms, conditions, and limitations of the applicable plans, the Warren-Newport Public Library District will continue to provide health insurance benefits for the full period of the approved family leave.

Benefit accruals, such as vacation, sick leave, or holiday benefits, will be suspended during the leave and will resume upon return to active employment.

So that an employee's return to work can be properly scheduled, an employee on family leave is requested to provide the Warren-Newport Public Library District with at least two weeks advance notice of the date the employee intends to return to work. When a family leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified.

If an employee fails to return to work on the agreed upon return date, the Warren-Newport Public Library District will assume that the employee has resigned.
