Good afternoon,

The Prevailing Wage Act governs the wages that a contractor or subcontractor is required to pay to all laborers, workers and mechanics who perform work on public works projects. The Act also sets forth the record keeping requirements for a contractor or subcontractor and sets forth the obligations of municipalities and other public bodies to establish the prevailing wage as well as, to notify in writing all contractors and subcontractors regarding the Prevailing Wage Act when bidding and awarding contracts, as well as on work orders. Essentially, WNPLD is required by law to pass this ordinance which essentially states we will abide by the Act (e.g. make sure any contractors or subcontractors we use pay prevailing wage on the parking lot repaving project).

The adoption of this ordinance by the Board is pro forma.

Thanks,
Ryan
