Good morning,

Attached is the Annual Meeting Schedule Ordinance, along with documents overviewing the meeting times for both Committee of the Whole and the Regular Meetings in FY 2022-2023. Note that I collaborated with Jo and we are proposing a few changes:

- Both October 2022 meetings are pushed back one week so the meetings do not conflict with Yom Kippur and the Illinois Library Association Annual Conference.
- The December 2022 Regular Meeting is moved up one week to December 13. This will both avoid the meeting conflicting with Hanukkah and any travel plans that anyone might have related to Christmas.

Thanks,
Ryan
