Good morning,

Attached are the two of the three ordinances under “New business”: 2021/2022-1 Building, Sites and Maintenance Levy and 2021/2022-2 Non-Resident Library Card Program. The Board’s adoption of these ordinances is pro forma.

I have attached a document Roger Ritzman provided with an overview of all the annual financial ordinances in FY2021-22. Page 7 of this document provides a good explanation of the Building, Sites and Maintenance Levy Ordinance.

Regarding the Non-Resident Library Card Program Ordinance, the board of each public library is required by [Illinois law](#) to decide annually whether the library will participate in the state's nonresident fee program, and to inform the regional system about the board's action within 30 days. Nothing in the statute or administrative rules requires a public library to participate in the nonresident library card reciprocal borrowing program of a regional library system. [In any event, the program doesn't apply to us as WNPL](#) is not the closest public library for anyone living outside the library's service area. Thus, we have always elected not to participate for this reason.

Thanks,
Ryan
