Good afternoon,

As part of the financial ordinances sequence of events, prior to the start of the Regular September Board Meeting, the public hearing for budget and appropriation for fiscal year 2017-2018 will be held at 6:45 PM.

No later than the fourth Tuesday in September, after a hearing is held for the budget and appropriation ordinance, the board must prepare and enact an annual budget and appropriation ordinance, appropriating such sums of money as may be deemed necessary to defray all necessary expenses and liabilities of the library. The proposed final annual budget and appropriations ordinance (Ordinance 2017/2018-4) is attached. Please contact me if you have any questions about this.

Thanks,
Ryan
