1. The garden is beautiful in bloom. Would be nice to identify them. Maybe a chart on paper naming the plants would be nice to take home. ⁽²⁾ Thanks!

Thank you for the compliment on the library landscaping. We agree that the garden is very beautiful and changes from season to season. We appreciate your suggestion and will consider this for the future.

Thank you for taking the time to help us improve our service to you. If suggested a title for purchase, we have passed it along to staff members who order materials.
