Good afternoon,

Attached is the agenda for next week's October 2018 regular board meeting. Note that Stu Wilson, Director/Consultant of Library Strategies, is going to join us for about 30 minutes to discuss where things stand at WNPL and his recommendations for what actions we need to take regarding our fundraising moving forward. I have had a few discussions with him over the past month or two so he is up to date on our situation at WNPL.

Thanks,
Ryan
