Good afternoon,

Attached is the agenda for next week's November 2017 regular board meeting.

Jo and I have moved the first part of new business regarding the establishment of the WNPL Endowment Fund to the start of the meeting. Nancy Sheldon will be in attendance and the Board will have the opportunity to thank her and Irv for their generous donation that is responsible for establishing the Endowment Fund.

Also, as you will see, there is a lot of business for the Board to cover on Tuesday night, so this will be a long meeting. If you have any questions about any of the agenda items before Tuesday night that I might be able to answer for you before the meeting, please let me know.

Thanks,
Ryan

"Congratulations on the new library, because it isn't just a library. It is a space ship that will take you to the farthest reaches of the Universe, a time machine that will take you to the far past and the far future, a teacher that knows more than any human being, a friend that will amuse you and console you---and most of all, a gateway, to a better and happier and more useful life."
– Isaac Asimov
