Good afternoon,

The following board policies are attached for review and potential approval on Tuesday night:

- 3023 Fines and Fees
- 3050 Meeting Rooms

3023 Fines and Fees has been modified significantly to address the issues raised about it at the November CoW. In addition, while Policy 3013 Library Card is on the agenda, we are still seeking some clarification on how to revise this policy to reflect a change in state law. Thus, we will be bringing it back next month once we have this information.

Thanks,

Ryan
