Volunteers

Adopted: February 20, 2007

Reviewed/Revised: September 18, 2012; September 21, 2015; December 19, 2017

The Warren-Newport Public Library District (WNPLD) recognizes and appreciates the hard work and unique talents the volunteers of the community offer to the Warren-Newport Public Library throughout the year. WNPLD also recognizes the risk of injury which is a part of every activity. For that reason, WNPLD carries insurance to provide coverage to volunteers who are injured while performing a task assigned by the Executive Director, his or her designee, or the Board of Trustees as part of a formal program of volunteerism. This coverage is provided at the same level as the accidental injury coverage provided to employees of WNPLD.
