Amazon Kindle via WiFi

Kindle eBooks are now available for download at the Warren-Newport Public Library. To check out and download books to your Kindle via WiFi, follow the instructions below. **PLEASE NOTE:** Even though your Kindle or Kindle App can access the Internet over its WiFi signal, you must authorize your Kindle checkout from a computer – Amazon will not authorize direct checkouts from a mobile device at this time. Also, certain titles will be available for USB transfer to Kindle devices only, NOT to a Kindle App. These titles will be marked “Use on: Kindle devices via USB only” in the item record. Please see the library’s “Amazon Kindle via USB” instructions for directions on downloading via USB.
