

## GETTING STARTED WITH

# Digital Library of Illinois & Libby

Access digital copies of your favorite books, audiobooks, and magazines with your WNPL card! WNPL belongs to the Digital Library of Illinois, a group of libraries that purchase access to popular digital media titles. Digital Library of Illinois uses the Libby app to provide access to digital materials. Libby can be accessed on your computer using the **libbyapp.com** website, or by using the Libby app on your app-enabled device. Sign in using your WNPL card to begin using e-books, e-audiobooks, and digital magazines.

- 1 The Libby app is the easiest way to check out digital books. Install the Libby app from the app store on your Android, iOS (Apple) or Windows device. The web version of the app can also be accessed by going to **libbyapp.com** in your Chrome, Firefox, Safari, or Edge browser.
- 2 In Libby, follow the prompts to find the Warren-Newport Public Library and sign in with your WNPL card.
- 3 Browse WNPL's collection and borrow a title.
- 4 Borrowed titles appear under Shelf > Loans and will download to the app automatically when you are on Wi-Fi, so you can read them when you are offline.

From *Loans*, you can:

- ▲ Tap **Read With...** to choose whether you would like to open an e-book in Kindle or Libby.
- ▲ Tap **Open Audiobook** or **Open Magazine** to start reading or listening to that title.

Tap **Manage Loan** to see options like **Renew** and **Return**.

WNPL cardholders can check out 10 titles at any time in the Libby app or website. Items can be returned early so that new items can be checked out.
